

# Biomedical Research

Volume 22 Issue 2

April-June 2011

- 125-129 **Banaba: The natural remedy as antidiabetic drug.....***Cheolin Park, Jae-Sik Lee*
- 130-164 **Carcinogenic mechanisms: Anticancer drugs that target tumor metabolism.....***Maurice Israël, Laurent Schwartz*
- 165-171 **The effect of short-term practice of mindfulness meditation in alleviating stress in university students.....***Myint K, Choy KL, Su TT, Lam SK*
- 173-177 **Angiotensin Converting Enzyme Insertion/Deletion gene polymorphism and genomic sequence in Diabetic Nephropathy ...***Haque SF., Ahmad M, Khan AU; Gupta V, Khan AS*
- 178-182 **Oxidative stress in periodontitis: A critical link to cardiovascular disease...***Dhotre PS, Suryakar AN, Bhogade RB*
- 183-186 **Effects of longstanding inguinal hernia on the microstructure of testis and spermatic tract system.....***M. Tariq, Zaidi and Aijaz. A. Khan*
- 187-194 **Effects of *Smilax myosotiflora* on testicular 11 $\beta$ -hydroxysteroid dehydrogenase oxidative activity and plasma hormone levels in rats....***Damayanthi D, Azman MAB, Aminuddin AHK, Hamid A, Nwe KHH*
- 193-197 **Oxidative Stress and Antioxidant Status in Patients of Ovarian Cancer.....***Sanjyoti Bandedbuche, R. R. Melinkeri*
- 199-202 **Vascular Foramina of Scaphoid and its Clinical Implications....***P.P Dubey, Navneet Kumar Chauhan, M.S. Siddiqui*
- 203-206 **A Screening for Gestational Diabetes Mellitus (GDM) with Oral Glucose Tolerance Test (OGTT) in Sai Shirdi Rural area of Maharashtra State....***P. Sawant, S. S. Naik, V. D. Nagarkar, A.V. Shinde*
- 207-210 **Comparative study of trace elements and serum ceruloplasmin level in normal and pre-eclamptic pregnancies with their cord blood.....***Savita Rathore, Ashish Gupta, Hitender Singh Batra, Rajkumari Rathore*
- 211-214 **Heterotopic Calcification: A cause for Zygomatico-coronoid Ankylosis....***Shoaib R. Tippu and Farzan Rahman*
- 215-219 **Serum paraoxonase activity and oxidative stress in acute myocardial infarction patients**  
*Tripti Saxena, B.K. Agarwal, Pawan Kare.....*
- 220-223 **Dyslipidemia and oxidative stress in patients of psoriasis.....***Madhur Gupta, Suresh Chari, Milind Borkar, Manju Chandankhede*
- 224-228 **The prevalence of hyperhomocysteinemia and its correlation with conventional risk factors in young patients with myocardial infarction in a tertiary care centre of India....***Kumar A, Khan S A, Parvez A, Zaheer M S, Rabbani M U, Zafar L*
- 229-232 **Vanishing Testis Syndrome in a 46 XY Male.**  
*J.E. Waghmare, P.D. Kamble, S.K. Kale, A.K. Pal*
- 233-238 **No Association between HLA-DQB1 Genotypes with Nasopharyngeal Carcinoma in Batak Ethnic Groups in Indonesia....***Delfitri M.*
- 239-245 **Effect of occupational exposure to dust on pulmonary function in workers associated with building demolition.....***Smilee Johncy S, Ajay KT, Dhanyakumar G, Prabhu Raj N, Vivian Samuel T*
- 247-252 **Expression of vascular endothelial growth factor on neovascularization during experimental tooth movement by Magnets.....***Toshitsugu Kawata, Shinya Kohno, Masato Kaku, Tadashi Fujita, Junji Ohtani, Msahide Motokawa, Kazuo Tanne*
- 253-256 **Infertility and domestic violence: cause, consequence and management in Indian scenario.....***Pasi AL, Hanchate M S, Pasha MA*
